

READY.

INSPECT.

RUN.

Make Sure Your Equipment is Season-Ready

The busy summer season is right around the corner—now is the time to prepare your equipment. A proactive inspection helps minimize downtime, plan repairs in advance, and keep your machines running when demand is at its peak.

For a limited time, JESCO is offering complimentary inspections on eligible construction and compact equipment and **10% off parts and service**¹.

Take advantage of **180 days no payments and no interest**² when you use your PowerPlan™ account — taking you through the busy season.

Contact us to schedule your machine inspection today!

¹Receive 10% off John Deere's suggested list price for parts and service for construction, compact construction, and forestry parts and service purchases made 01 March 2026 to 31 May 2026 from participating JESCO John Deere dealers in the US and part off the John Deere Protect™ Inspection Program. Maximum parts discount of \$2,000 per-qualifying machine. Offer may be discontinued or modified at any time. No cash value. Some conditions apply. Prior purchases are not eligible. See JESCO for pricing and details.

²Offer valid on construction, compact construction, and forestry parts and service purchases made 01 March 2026 through 31 May 2026 from participating JESCO John Deere dealers in the U.S. as part of the John Deere Protect Inspection Program. Subject to approved credit on PowerPlan, a revolving credit service of John Deere Financial, f.s.b. For commercial use only. 0% APR is for 180 days and requires a minimum of \$1,000 in parts and service purchases resulting from the work of a completed inspection. After the promotional period, interest charge will begin to accrue at Prime plus 14.9% APR. Repairs must be made to John Deere equipment using John Deere OEM and Deere allied parts. Available at JESCO; see JESCO for pricing and details. Exclusions apply.
